Organizational Skills

Thanks to *UnixMiB* I have learned to manage an association and managing of both big and small events (such as *Linux Day 2018*)

Social Skills

I love being in contact with people, making connections and creating a very welcoming environment

Thanks to *iBicocca* and *Campus Party*, I have a very strong entrepreneurial attitude.

Technical Skills

Bash script development oriented for minor automation tasks

Advanced knowledge of HTML, JavaScript (*ECMAScript* 6, usage of frameworks such as jQuery), ReactJs (usage of frameworks such as React-Map-Gl), CSS

Advanced Knowledge of WordPress and plugin development.

SQL development oriented for Data Analytics. DBMS usage such as *Postgres* and *MariaDb*.

Docker usage for local development and remote application deployment.

Moderate knowledge of *C++*, used mostly in academic environments and projects

Strong *Python* knowledge oriented for Data Analytics.

Strong knowledge of *Git* for version control, both at work and for personal projects.

Strong knowledge of \LaTeX for writing documents (such as this one) or university notes.

ADDITIONAL INFORMATION

Personal Interests

I'm learning to play the piano, I practice kickboxing four times a week and I try to live a healthy and balanced life style. I love cooking, and will try pretty much anything!
